## **Maharam Agenda** Michael Maharam

"First renowned as a supplier of theatrical textiles to Broadway and beyond, Maharam pioneered the concept of engineered textiles for interior applications in the sixties, and is the world's leading provider of textiles to commercial architects and interior designers. Maharam takes a holistic view of design, embracing a range of disciplines including architecture and interiors, furniture, fashion, accessories, graphic and digital media. The Maharam Design Studio oversees the cultivation of an extensive textile collection, ranging from re-editions of enduring designs by the twentieth century's most noted visionaries to textile-based collaborations with industry outsiders including Konstantin Grcic, Hella Jongerius, Maira Kalman, Bruce Mau, Jasper Morrison, Nike and Paul Smith, among others. The publication provides a comprehensive overview of the company's history, cultural markers and design projects. Abstracted product applications are featured through "Useless Objects," a collaboration with Jasper Morrison.
