Suri and Lacey have been best friends since kindergarten. Suri, the photographer, has always been the safe, responsible one, afraid to take risks. Now that the pair is in high school, she"s afraid that her more outgoing and adventurous friend will outgrow her.

Then Lacey"s wild, risk-taking personality leads her down a dangerous path -- and Suri is afraid of losing her for real. But if she chases Lacey down that same path of drinking, partying, hooking up with older guys, and drugs, will Suri be able to save her friend -- or herself?
