To India With Love (Icons) Waris Ahluwalia

Ask people who have been there, and they will all tell you India is like no other place in the world, a land that stirs every one of the five senses and stays in your heart forever. It is this India that brought together three friends, Waris Ahluwalia, Mortimer Singer and Tina Bhojwani to raise funds, spirits, and awareness for the victims of the attacks in Mumbai in November, 2008.

The editors set out to create a scrapbook collecting personal photos, stories, and memories from people who, like themselves, love India. The contributors include Wes Anderson, Adrien Brody, Francesco Clemente, Anthony Edwards, Jeanine Lobell, Natalie Portman, Yves Carcelle, Jean Touitou, Owen Wilson, Laura Wilson, Cynthia Rowley, James Ivory, Matthew Williamson, Rachel Roy, Tory Burch, Padma Lakshmi and Shobhaa De. This book declares to Mumbai and the whole country that we are all thinking of them and support them: hence To India, with Love: New York to Mumbai. Profits from the sales of the book will go to support families

affected by the attacks. This book can truly make a difference, by opening eyes to the wonders of India and by once again letting the pen or a camera dominate the sword.

From reader reviews:

Johnna Chapin:

What do you think of book? It is just for students as they are still students or the item for all people in the world, what the best subject for that? Just you can be answered for that query above. Every person has different personality and hobby for each and every other. Don't to be compelled someone or something that they don't wish do that. You must know how great and also important the book To India With Love (Icons). All type of book would you see on many solutions. You can look for the internet solutions or other social media.

Karen McCarthy:

This To India With Love (Icons) is great publication for you because the content which is full of information for you who else always deal with world and also have to make decision every minute. This specific book reveal it data accurately using great manage word or we can claim no rambling sentences inside. So if you are read the item hurriedly you can have whole data in it. Doesn't mean it only provides straight forward sentences but difficult core information with splendid delivering sentences. Having To India With Love (Icons) in your hand like having the world in your arm, information in it is not ridiculous just one. We can say that no publication that offer you world within ten or fifteen small right but this e-book already do that. So , this can be good reading book. Heya Mr. and Mrs. busy do you still doubt that?

Jerry Bonner:

Reading a book being new life style in this year; every people loves to read a book. When you examine a book you can get a lot of benefit. When you read books, you can improve your knowledge, since book has a lot of information into it. The information that you will get depend on what kinds of book that you have read. If you wish to get information about your analysis, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, these us novel, comics, as well as soon. The To India With Love (Icons) will give you a new experience in examining a book.

Heather Bly:

As we know that book is important thing to add our understanding for everything. By a guide we can know everything we want. A book is a group of written, printed, illustrated or maybe blank sheet. Every year had been exactly added. This guide To India With Love (Icons) was filled with regards to science. Spend your time to add your knowledge about your scientific disciplines competence. Some people has diverse feel when they reading the book. If you know how big advantage of a book, you can truly feel enjoy to read a e-book. In the modern era like right now, many ways to get book that you just wanted.
