Fantasy Islands: A Man's Guide to Exotic Women and International Travel Rik Livingston, Katie Lepisto, Wade T. Wilson

Fantasy Islands is the only book on how to travel and meet international women. This unique title is for the man who is attracted to women from different cultures, who wants to explore relationships with a woman who can offer a unique insight into life, a woman with a different culture, language, religion and beauty.

Maybe he wants to get married, settle down and have a family - or maybe not. Maybe he wants romance and excitement, to share intimate moments with a woman in her native land...a woman who can show him around like no other tour guide. It doesn't matter. Either way, Fantasy Islands can help by providing unique information on how and where to meet women around the world. Readers get "hands-on" information, the result of over ten years of research, travel and friendships with men and women around the world.

Fantasy Islands may seem controversial to some. It does not make moral judgements on how to make contact with exotic women. It leaves that decision up to the reader. Fantasy Islands objectively describes a variety of methods, from the traditional way of meeting so-called "mail order brides" through correspondence, to traveling alone to distant countries and meeting hundreds of bikini-clad dancers in the bars of Thailand and the Philippines.

International women admire American, Australian and West European men. Women from many parts of the world - Asia, Latin America and Eastern Europe - think they make good husbands, and caring, affectionate lovers.
