As a stay-at-home mother of three beautiful children, I have been scrapbooking for more than 10 years. I am independent scrapbooking consultant for a leading scrapbook supply company (CTMH) and I love scrapping my memories and helping others preserve their pictures and mementos for years to come. Teaching someone how to express their creativity by scrapping their picture memories is extremely rewarding. There are so many products and artistic techniques that can be used. Scrapbooking definitely is something anyone can enjoy no matter what their skill level.
