Mastering Linux Premium Edition Arman Danesh

Mastering Linux, Premium Edition is the most comprehensive book on Linux available. It includes 2 CDs with Red Hat Linux 6.0, expanded network coverage, plus scores of valuable utilities. Get Linux up and running immediately! Readers will quickly and painlessly learn how to install Linux, get the X-Windows environment up and running, and begin working with files and applications. The book also includes extensive coverage of file management, internet connectivity, networking, and web server installation. Advanced sections let small businesses quickly use Linux as an inexpensive but powerful file and print server for an office network. Although the book uses the included Red Hat Linux in examples, it also includes installation appendices and tips for additional distributions such as Caldera, Slackware, and Debian.
