Time and Trace: Multidisciplinary Investigations of Temporality (Study of Time)

Time and Trace: Multidisciplinary Investigations of Temporality (Study of Time)

Time holds an enduring fascination for humans. *Time and Trace* investigates the human experience and awareness of time and time's impact on a wide range of cultural, psychological, and artistic phenomena, from reproductive politics and temporal logic to music and theater, from law to sustainability, from memory to the Vikings. The volume presents selected essays from the 15th triennial conference of the International Society for the Study of Time from the arts (literature, music, theater), history, law, philosophy, science (psychology, biology), and mathematics. Taken together, they pursue the trace of time into the past and future, tracing temporal processes and exploring the traces left by time in individual experience as well as culture and society. Contributors are: Michael Crawford, Orit Hilewicz, Rosemary Huisman, John S. Kafka, Erica W. Magnus, Arkadiusz Misztal, Carlos Montemayor, Stephanie Nelson, Peter Ohrstrom, Jo Alyson Parker, Thomas Ploug, Helen Sills, Lasse C. A. Sonne, Raji C. Steineck, and Frederick Turner."
