A Cuddle for Claude David Wojtowycz

When Claude wakes up from his nap, he is in the mood for a hug. "I'll give you a great big cuddle, Claude," says Mom. "I just have a few things to finish first." Claude looks at a book, plays with his puzzle, and even draws pictures. But Mom is *still* too busy. There can be only one explanation-she doesn't love him anymore! Young children will identify with this little polar bear's feeling that a few minutes of waiting can seem like a lifetime. But, as Claude finds out, good things come to those who wait. David Wojtowycz's simple story and bright artwork are perfectly pitched to preschoolers. Claude will find his way into every reader's heart!
