Glamour Girls Of Tokyo: Erotic Photography From Classic Japanese Men's Magazines

In the 1960s, erotic nude photography became increasingly prevalent in the civilized world, with European countries such as Denmark and France leading the way with ever-more daring and artistic publications. In Asia, Japan was at the forefront of this new pictorial erotica, its ban on images of public hair leading to a unique style which fetishized uniforms, panties, and other accoutrements. The emergent popularity of sex films by directors such as Koji Wakamatsu helped to push such material into the mainstream.

GLAMOUR GIRLS OF TOKYO contains over 100 stunning and provocative photographs from vintage Japanese men's magazines at the forefront of classic erotic photography. Starring 10 nude Tokyo model girls, and with 16 pages in full color.
