Sir Balduin de Soler gave up long ago on love. He never had the means to support a wife until an unexpected advancement in his fifties allows him to reassess his future just as the lovely Lucianna enters his life.

Lucianna Fabio harbors a secret, painful memory from her past that has kept her unwed, as well. Now in her forties, she thought herself too old to marry until she meets Sir Balduin. Now suddenly their lonely autumn lives feel very much like spring again . . . until Lucianna's brother appears without warning and threatens to revive the secret that will destroy Lucianna's second chance at love. "Loving Lucianna" is the first in Joyce DiPastena's new "Hearts in Autumn" romance series, medieval romances revolving around heroes and heroines "in the autumn of their years." Because you're never too old to fall in love!
