*Mario Botta -- The Complete Works* is the only complete edition of Botta's creative work co-designed and authorized by the architect himself; it is now internationally recognized as the definitive work on Botta.

These volumes draw a complete picture of Mario Botta's creative work as an architect, furniture designer, and exhibition and stage designer. Volume highlights include the Museum of Modern Art in San Francisco, the cathedral in Evry, the mountain church on Monte Tamaro (Ticino), the bank at Aeschenplatz, and the recently opened Tinguely museum, both of which are located in Basel. The newest projects are also introduced, such as the municipal library in Dortmund and the synagogue in Tel Aviv.
