## **Travelers** Carla Reighard

In *Travelers*, uncover a world where mermaids aren't myth, the city of Atlantis exists, and time travel is possible. Discover how Triana, a twenty-year-old mermaid, is thrust into time travel throughout human history to save her world from destruction. Forced to share the body of a human in the era she travels to, Triana realizes that Alexio, a merman from her world, is following her. Unable to return to her own body, and unsure if she can trust Alexio, Triana is faced with insurmountable challenges. Will she be able to save her world in time? Will she ever be able to return to her own body?

### From reader reviews:

#### **Rose Waldman:**

In this 21st centuries, people become competitive in every single way. By being competitive now, people have do something to make all of them survives, being in the middle of the crowded place and notice by surrounding. One thing that occasionally many people have underestimated that for a while is reading. That's why, by reading a e-book your ability to survive increase then having chance to stand up than other is high. To suit your needs who want to start reading any book, we give you this specific Travelers book as basic and daily reading e-book. Why, because this book is usually more than just a book.

#### **John Glass:**

Here thing why that Travelers are different and trustworthy to be yours. First of all reading through a book is good however it depends in the content than it which is the content is as delightful as food or not. Travelers giving you information deeper and in different ways, you can find any book out there but there is no publication that similar with Travelers. It gives you thrill examining journey, its open up your own personal eyes about the thing that will happened in the world which is perhaps can be happened around you. It is easy to bring everywhere like in area, café, or even in your way home by train. In case you are having difficulties in bringing the branded book maybe the form of Travelers in e-book can be your choice.

#### **Leslie Padilla:**

Reading a book tends to be new life style in this particular era globalization. With studying you can get a lot of information that could give you benefit in your life. Having book everyone in this world could share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire their own reader with their story or maybe their experience. Not only the storyline that share in the textbooks. But also they write about the ability about something that you need illustration. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors in this world always try to improve their expertise in writing, they also doing some exploration before they write with their book. One of them is this Travelers.

#### **Joan Freeman:**

Don't be worry when you are afraid that this book may filled the space in your house, you can have it in e-book way, more simple and reachable. That Travelers can give you a lot of friends because by you taking a look at this one book you have factor that they don't and make an individual more like an interesting person. This kind of book can be one of a step for you to get success. This reserve offer you information that probably your friend doesn't understand, by knowing more than various other make you to be great individuals. So , why hesitate? We should have Travelers.
