**After the Fact, Volume I, The Art of Historical Detection CD** James West Davidson, Mark Lytle  
For more than twenty-five years, *After the Fact* has provided a time-tested, innovative approach to guiding students through American history and the methods used to study it. In dramatic episodes that move chronologically through American history, this best-selling book examines a broad variety of topics like oral evidence, photographs, ecological data, films and television programs, church and town records, census data, and novels. Whether for the introductory survey or for a historical methods course, *After the Fact* is the ideal text for any instructor who wants to introduce his or her students to what it is that historians actually do when studying American history.
