## Elaborations on Emptiness: Uses of the Heart S?tra Donald S., Jr. Lopez

The *Heart Sutra* is perhaps the most famous Buddhist text, traditionally regarded as a potent expression of emptiness and of the Buddha's perfect wisdom. This brief, seemingly simple work was the subject of more commentaries in Asia than any other sutra. In *Elaborations on Emptiness*, Donald Lopez explores for the first time the elaborate philosophical and ritual uses of the *Heart Sutra* in India, Tibet, and the West.

Included here are full translations of the eight extant Indian commentaries. Interspersed with the translations are six essays that examine the unusual roles the *Heart Sutra* has played: it has been used as a mantra, an exorcism text, a tantric meditation guide, and as the material for comparative philosophy. Taken together, the translations and essays that form *Elaborations on Emptiness* demonstrate why commentary is as central to modern scholarship on Buddhism as it was for ancient Buddhists. Lopez reveals unexpected points of instability and contradiction in the *Heart Sutra*, which, in the end, turns out to be the most malleable of texts, where the logic of commentary serves as a tool of both tradition and transgression.
