Uriah Bell

Epiphany: Poems in the Key of Love Uriah Bell

Growing up is hard to do, and loving someone is harder. In his second collection of poems, Uriah dissects the elements of love in three parts. First analyzing the element of love we know all too well, the love between you and that special someone, Uriah uses witty metaphors and gripping imagery to show us where we, and love usually go wrong. Next, with a slightly heavier tone, Uriah circles around the element of love between us and family, and the community. With startling truths, and poignant discoveries, Uriah lifts the carpet on what we have swept under it for so long. Lastly, Uriah brings it home with the final element, the element of self-love; making the reader realize that without genuine, unapologetic self-love, love itself is just another four letter word.
