Knotty Words takes all of the style and elegance of Celtic Art... and ruins it with fart jokes and curse words.

This is the first, and as far as we know, ONLY hand-drawn swear word coloring book ever. What makes a joke funny is the subtlety, and this book nails it. The first thing you notice is the intricate and beautiful celtic knots, and only then your brain says "wait....did that say..." and yup, there's a big swear word mixed in. This is a great gift for friends and loved ones who love to color. They'll never see it coming.

Inside, you will find:

- 5x11" high quality opaque paper
- 30 beautiful HAND-DRAWN images
- Hilarious swear and silly words
- Single sided images so there's no bleed through
- Hours of relaxation and entertainment

And just for fun, a classic crass Celtic saying: **Is luath fear doimeig air faire, latha fuar Earraich.**
(Translation: Swift is the slut's husband over the hill, on a bleak day in Spring.)
