**Sermons: Adapted to All the Sundays and Holydays of the Year, Vol. 1 (Classic Reprint)** Franz Hunolt  
Hunolt's Sermons to the Catholic public. I am gratified because I have been instrumental in supplying thoughtful Catholics with the means of meditating profitably on the great truths of their religion, and particularly in supplying good priests with the most valuable help, in discharging the arduous duty of preaching. My consolation arises from the fact that the priest to whom I confided the task of translating the work has accomplished it with remarkable ability. My long experience of twenty-five years on the missions enables me fully to understand how difficult it is for priests, engaged all day, and often far into the night, with the labors of the confessional, and attending the sick, to prepare their sermons with that care and study which so important a function demands. They must often feel, as I have felt, the want of a work in which sound matter is condensed in fitting order, and easily consulted. There are many admirable books of sermons, translations, and original compositions in English; but they are, generally speaking, too elaborate, and the language is often so polished, that attention is taken away from the matter by the attractions of the style.
