## **The Eclectic Abecedarium** Edward Gorey

Edward Gorey's first miniature book, *The Eclectic Abecedarium* is an illustrated adventure through the English alphabet, accompanied by rhyming couplets penned by Gorey, who described his creations as "literary nonsense." Inspired by popular moral primers for children, Gorey created an updated version of Isaac Watt's alphabetic adhorisms. Part sweet songs of unseen birds and part cautionary tales, this abecedarium fully lives up to the epithet "eclectic."
