From the first human settlements to the latest marine explorations, *The Golden Shore* tells the tale of the history, culture, and changing nature of California's coasts and ocean. David Helvarg takes the reader on both a geographic and literary journey along the state's 1,100-mile Pacific coastline, from the Oregon border to the San Diego–Tijuana international border fence and out into its whale-, seal-, and shark-rich offshore seamounts, rock isles, and kelp forests. Part history, part travelogue, part love letter, *The Golden Shore* captures the spirit of the California coast and its mythic place in American culture.
