Webster's Wolof - English Thesaurus Dictionary

Philip M. Parker

Webster's Wolof - English Thesaurus Dictionary Philip M. Parker

If you are learning Wolof, this book was not created for you, and you should not purchase it. It was created for completely fluent mother-tongue speakers of Wolof who already know the full meaning of Wolof words, but who need to learn how a single English translation of a Wolof word may have ambiguous meanings in the English language. It is designed for bi-lingual education for the non-English reader who wants to improve English-language test scores covering English synonyms. Synonyms may bear no relationship to a translation word (e.g. "love" can signify both an emotion and a score of zero in tennis; zero, while being a synonym of love, is likely to be a bad translation to the original Wolof headword). This is a regular English thesaurus, like Roget's, but the entries are sorted alphabetically using headwords from Wolof. It cannot be used to translate between the two languages, but may help a fluent speaker of Wolof who is learning basic English, to learn the ambiguities of the English language and its vocabulary. The synonyms for each headword are not translations; Wolof words are used to facilitate "looking up" English synonyms. Prior to purchase, educators and students should review the contents of this unique form of thesaurus which is free to view on Google books, or using Amazon's "look inside" function. Public domain translations used were contributed to Webster's Online Dictionary and have originated from uncited volunteers, native speakers, professional translators, field linguists and academics (not by the editor of the thesaurus). If you would like citation for any translations, make suggestions, note errors, or contribute in any other way, please email Philip M. Parker at INSEAD, who will periodically update this series. Reproduction rights are granted to educators.

From reader reviews:

Alberta Sanchez:

Nowadays reading books are more than want or need but also get a life style. This reading routine give you lot of advantages. Advantages you got of course the knowledge the rest of the information inside the book this improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want drive more knowledge just go with knowledge books but if you want sense happy read one along with theme for entertaining such as comic or novel. The actual Webster's Wolof - English Thesaurus Dictionary is kind of reserve which is giving the reader erratic experience.

Jane Garner:

Playing with family within a park, coming to see the ocean world or hanging out with close friends is thing that usually you could have done when you have spare time, and then why you don't try matter that really opposite from that. One activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Webster's Wolof - English Thesaurus Dictionary, you may enjoy both. It is excellent combination right, you still would like to miss it? What kind of hang type is it? Oh seriously its mind hangout guys. What? Still don't have it, oh come on its referred to as reading friends.

Roger Thomas:

You may spend your free time to see this book this e-book. This Webster's Wolof - English Thesaurus Dictionary is simple to develop you can read it in the park your car, in the beach, train along with soon. If you did not have much space to bring typically the printed book, you can buy the actual e-book. It is make you easier to read it. You can save the particular book in your smart phone. So there are a lot of benefits that you will get when you buy this book.

Sherry Holsey:

Many people spending their moment by playing outside using friends, fun activity with family or just watching TV the whole day. You can have new activity to enjoy your whole day by studying a book. Ugh, do you consider reading a book really can hard because you have to accept the book everywhere? It ok you can have the e-book, bringing everywhere you want in your Smart phone. Like Webster's Wolof - English Thesaurus Dictionary which is having the e-book version. So , try out this book? Let's observe.
