## **Disruption** Chuck Barrett

There are two types of people: those who have been hacked and know it, and those who have been hacked and don't know it.

Former Naval Intelligence Officer turned secret operative Jake Pendleton finds himself in a pulse-pounding race to stop a cyber-terrorist from releasing a string of the most heinous cyber-crimes the world has ever seen. Crimes that could render the world's advanced technology useless.

Jake teams with his partner, Francesca Catanzaro, to track down their only lead, a white-hat hacker in Italy known only as The Jew. A man who might hold the key to stop a group of black-hat hackers from causing worldwide chaos-tag named Disruption.

After a search of the hacker's flat in Rome turns up empty, Jake and Francesca follow the clues-a trail of dead bodies that leads them across Europe. Along the way, Jake discovers a possible link between recent hacks and a Malaysian airliner that mysteriously disappeared.

In the final adrenaline-charged moments before Disruption, Jake and Francesca find themselves in a high-voltage race to stop these cyber terrorists from unleashing destruction against their sworn mortal enemy.
