## **Hatched** Robert F. Barsky

A well-respected chef in New York City has decided to fulfill a lifelong dream, to open a restaurant that is devoted entirely to "eggy" creations in the smart Wall Street area of the City. Working with an inspired architect, John erects his restaurant in the shape of a Fabergé egg, modeled after those remarkable masterpieces that were offered each year by the Czar to his beloved wife in the years leading up to the Russian Revolution. **Fabergé Restaurant** becomes 'the' destination for the wealthiest of NYC clients, but it's also the place where a plan is *Hatched* by three former college roommates to counterfeit billions of dollars and shake the United States economy to its very yolk. A rollicking novel filled with intrigue, passion and voluptuous egg recipes, *Hatched* is a sumptuous treat.
