Healthy relationships cannot be developed without a mutual commitment to be known. If God Himself does not desire to be known then we could never expect to have a healthy personal relationship with Him. In Real.ational God we explore one of the most exceptional and beautiful things in all of heaven and earth – God desires to be known! He has revealed this life-changing truth throughout history through the mystery of the Trinity: One God Three Persons as Father, Jesus and Holy Spirit. We also look at key universal human experiences and see how the Trinity uniquely explains them and moves us beyond reason, rocks us out of religious routine, and beckons us into intimate fellowship.
