Survival of a Single Mom Catherine M. Green

"The Lord won't give me more than I could handle" says mom and author, Catherine Green. She takes us along for a roller-coaster ride through her life as a single mom and hangs on for dear life with her two kids at her side as they go through the highs and lows, the happiness and sadness, the struggles and fears and the laughter and tears that go along with the amazing job of being a mom. This relatable and true story reassures single mothers that they're not alone in their journey-issues such as: playing the role of mom and dad, money (or lack of it), divorce, work, asking for and accepting help, dealing with emergencies, dating, and the sheer panic of being the sole parental caregiver and provider, are all discussed in this single mom's journey of survival. Author Catherine Green is the single mother of two wonderful kids. This impactful book started as a journal and grew into a book that will hopefully help other single parents. Catherine is blessed to have her children, parents, family and friends in her life. She grew up in Richmond, Virginia and has recently returned there to live
