## **The Healing Gifts of the Spirit** Agnes Sanford

This practical guide to spiritual healing blends insightful spiritual reflection and the wisdom of hard-won experience in a reliable and inspiring handbook for developing our innate capacity for richer living and richer giving through the healing gifts of the Spirit.

Many years ago, Agnes Sanford was cured of acute depression by a minister who believed in the healing power of prayer. Subsequently, she herself became very active and successful in healing others of mental and physical ailments by drawing upon the same resources for inner well-being. In *The Healing Gifts of the Spirit*, she shares the simple, practicable ways of self-help she discovered, and gives step-by-step advice on how to help others.

She discusses not only her own cure but also the gift of healing in general and its growing recognition in the contemporary church. She devotes a chapter to the gift of miracles, and another -- especially interesting -- to the gift of tongues. Her exploration of these topics is richly inspiring, offering readers one of the most detailed, informative discussions of the nature, dynamics, and potential rewards of these unique manifestations of God's presence. At the same time, she demonstrates how anyone can draw upon this healing power for good in the world.

As evidence of how these gifts can -- and do -- reveal themselves, the author cites many examples from observation and personal encounters with the healing power of the Spirit.
