The Real Easy Book - Volume 2 (The Real Easy Books) Chuck Sher, Michael Zisman

For intermediate improvisers. Same format as Volume 1 - songs on the left-hand page, all the information that a band director would have to write out for his/her students on the corresponding right-hand page. The material is all playable by a typical high school jazz combo, but the tunes are more challenging than Volume 1. Still saves the teacher countless hours of prep work, and is a great fake book, even without the educational material!
