Creation (Touch and Feel) Heather Henning

The Touch-and-Feel books use bright, charming illustrations to immediately capture the young child's attention. Simple, playful rhyme tells the story and encourages the child to turn the page for more. Besides being extremely visually appealing, each set of pages includes a special feature that encourages little fingers to touch, explore, and learn. A bit of tactile material (smooth fabric, sandpaper, leather, etc) peaks through a die-cut opening. Creation retells the Genesis account of God's creation. The very young child learns that God made the heavens and the earth and all that is in them in six days.
