Folks,

This world needs our *attention*.

This is the time to #TakeAStand on many topics that are holding the human race back. Please join, support and recommend this revolution to your family, friends and community.

Lifen Revolution will shake the thinking and perception of the human race who are lost in their own creations and imaginations, and who have drifted far away from reality. It reminds humans about what LIFE really is, who we are, how we have evolved, what, why and how everything is happening around us, what is the actual reality and what are the illusions of realities formed by human societies. It explores the facts that have brought us to our current situation. Most importantly, it will help Homo sapiens to reject all troublesome imaginary worlds; speed up the transformation process of our journey towards reality; improve curiosity; set new priorities; change lifestyles; re-evaluate and re-discover each individual's personality, character, attitude and perception; and eventually reshape the entire Homo sapiens future!

Do not make a "choice" of not to make any choice.
