## **Schindler's Ark** Thomas Keneally

The titles in the "Textplus" series, designed to reflect the changing nature of English Literature at advanced post-GCSE level, offer the complete text with a specially commissioned introduction and compact background notes placing the work in historical and critical context. Together, these components are intended to open up the text for students, allowing them to plot their own course of study, to plan extended projects, to compare writers' perspectives on similar themes and to relate works to key social and historical phenomena.
