Tears of the Dragon totally wowed me! I think this is one of history's hottest seductions and I highly recommend this book.

-- Karen Haas, **Just Erotic Romance Reviews** 5 stars!

Neither wars, nor famine, nor Fairy curses have intimidated Lady Rowena of Pendragon, but now she finds herself locked in a battle of wills with Dominic of Capstow. Dominic is William Marshal's trusted knight, and the regent has sent him to escort her to court so she can face claims brought forth by her scheming stepfather.

She's infuriated, insulted--and intrigued. Dominic is by far the most attractive man she has ever encountered. He's dangerous and appealing, and she needs him in her bed for reasons she dare not reveal. Knowing little about seduction, but more than willing to learn, Lady Rowena sets out on a conquest of her own.

The stakes are high, higher even than Lady Rowena realizes. For the Fairy curse is real and dark forces are at work, ready to tear the young lovers apart and rob them of their happily ever after.

Note to Reader: This book contains detailed descriptions of sizzling passion only suitable for mature readers.

From Cyndi: I've been a fan of Historical romance for years and set out to capture the struggles and challenges of a feisty medieval woman determined to live life on her own terms. But, as usual, my muse had other ideas. The Fairy curse which was originally meant to thread through the story became an important subplot and Fair Fiona (a mischievous fairy trapped in our mortal realm) tried hard to take over the book. I hope you'll find the outcome as entertaining as I did. I learned long ago not to argue with my muse. Enjoy!
