The Disagreement: A Novel Nick Taylor

It is April 17, 1861 -- the day that Virginia secedes from the Union and the sixteenth birthday of John Alan Muro. As the Commonwealth erupts in celebration, young Muro sees his dream of attending medical school in Philadelphia shattered by the sudden reality of war.

Muro's father, believing that the Disagreement will pass, sends his son instead to Charlottesville. Jefferson's forty-year-old University of Virginia has become a haven of rogues and dilettantes, among them Muro's roommate, Braxton Baucom Iii, a planter's son who attempts to strike a resemblance to General "Stonewall" Jackson. Though the pair toasts lightheartedly "To our studies!" with a local corn whiskey known as "The Bumbler," the war effort soon exerts a sobering influence. Medical students like Muro are pressed into service at the Charlottesville General Hospital, where the inexperienced Dr. Muro saves the life of a Northern lieutenant, earning the scorn of his peers.

As the war progresses, Muro takes up yet another cause -- winning the affections of the beguiling Miss Lorrie Wigfall. Here, too, Muro faces a cunning adversary. Just as the fighting is closing in, Muro is forced to make a choice that will shape the rest of his life. In this story of love, loyalty, and unimaginable sacrifice, a doctor struggles to balance the passions of youth with the weight of responsibility.
