Understanding the Horse's Back Sara Wyche

This is a unique guide to understanding the horse's back—how it works, what can go wrong and why, how to recognize problems, and how to prevent them, making it an essential handbook for all owners and riders. Topics covered include the basic anatomy of the horse's back; sources and causes of problems; recognizing pain in the horse; professional diagnoses and therapies; orthodox and complementary treatments; rehabilitation and recovery; remedial exercise and training; and "back-friendly" riding and management.
