This is an owner's guide for all 1969 through 1973 Porsche models. The book is aimed at the Porscheophile who wants to save money on maintenance and repairs. This guide won't describe how to rip apart your five-speed transaxle, throw in new baulk rings, and then stick it back together. It will tell you how to perform procedures such as changing your oil, checking the ignition timing, replacing a shock absorber, adjusting the valve clearance, removing the steering wheel, and changing the breaker points. These are things that 99% of the buyers of this book are interested in doing and that are capable of being done with the average set of tools. Covers repairs, specifications and do-it-yourself maintenance for the: 912, 911 T/E/S, 914/6, 914 1.7 & 2.0.
