Siding With Plato is a romantic laugh-out-loud chick lit novel about Being Young, Beautiful, and a Seriously Hot Mess! Brooke Aarons can't get to college fast enough. Leaving behind her small town life, she intends to transform herself into a brilliant psychologist at the University of Texas, with no distractions to slow her down. But when she finds herself on a double date with the school's notorious playboy - and worse, enjoying it - Brooke has to wonder if she's the one who needs her head examined. James Cartwright's overly glorified jock status, endless bucks, and long line of willing girls should make him a non-starter for Brooke, but as she learns, the psychology behind a bad crush is a whole lot messier of a subject. Maybe Plato was right. Maybe love is a serious mental disease . . . If so there better be a cure before Brooke gets herself in too deep.
