Apocalypse Survival Guide for Christians Ronald L. Conte Jr.

This book on the Apocalypse is not primarily a book of theology, but a book of practical considerations related to the end times, to the time of suffering for the Church and the world called the tribulation. The author discusses practical considerations that might be useful in order to live with a greater degree of safety and a better quality of life during the Apocalypse. The purpose of this book is to assist the reader in preparing for, enduring, and perhaps even surviving, the most difficult time period so far in human history, while still being an active part of society.

The question as to when and how the Apocalypse unfolds is controversial among Christians. But one point should be beyond dispute. The Apocalypse will be very severe, and will affect everyone on earth. Therefore, even if you disagree as to when and how the tribulation will unfold, you might still want to read this book discussing ways to cope with this time of great trials for the whole world.
