In this ingenious novel that brings reality TV to the printed page, drama levels go through the roof as six outrageous characters fiercely compete to win \$100,000.

The most controversial characters from Brenda Hampton's bestselling novels come together in a house that could unite—or destroy—they all. Roc Dawson from *Full Figured*, Chase Jenkins from *Don't Even Go There*, Sylvia McMillan from *SLICK*, Jada Mahoney from *How Can I Be Down?*, Jamal "Prince" Perkins from *Street Soldier*, and Jaylin Rogers from the *Naughty Series* attempt to put aside their overwhelming differences and calm their unique personalities.

Without supervision, though, anything could happen inside Hell House—especially when there's \$100,000 at stake. And these six cutthroat contestants are determined to have it all. Overflowing with drama, raunchiness, and manipulation, survival by any means necessary is their primary focus, but only those with tough skin will make it to the next round.

Who will be the last woman or man standing, and who will walk out, slamming the door behind them and screaming at the top of their lungs?
