Play on: Now, Then and Fleetwood Mac Mick Fleetwood

"After forty-six years of being on the road, now is the right time to look back in a way I've never done before: now and then. I'm looking forward to sharing it with you." Mick Fleetwood has been a member of the ever-evolving Fleetwood Mac, one of the world's most successful and adored bands, for over four decades. Here he tells the full and candid story of his life as one of music's greatest drummers and band leaders, the co-founder of the deeply loved super group that bears his name along with his band mate and lifelong friend John McVie. In this intimate portrait of a life lived in music, Fleetwood vividly recalls his upbringing tapping along to every song playing on the radio; his experiences as a musician in Sixties London and the earliest permutation of the band featuring Peter Green. Play On sheds new light on Fleetwood Mac's raucous history, describing the highs and lows of being in the band that Fleetwood was determined to keep together. Here he reflects on the creation of landmark albums like Rumours and Tusk, the great loves of his life, and the many incredible and outrageous moments of recording, touring and living with Fleetwood Mac. Fleetwood describes these moments with honesty and immediacy, taking us to the very heart of this multi-layered journey that has always been anchored in music. Through it all, from intense love to plaintive heartaches, from collaborations to confrontations, it's been the drive to play on that has prevailed. Now, then, and always, it's Fleetwood Mac.
