*“We need these stories. We need to read them to our children and our grandchildren.”*

—**Dennis Prager**

*“We learn by stories, and this powerful, well-written book gives us forty superb ones. They couldn’t be more timely in an age that is experiencing too much bluster, blather, exhibitionism, and ignorance.”*

—**Steve Forbes**

What makes someone a hero?

Is it fame, power, money, creative talent, athletic ability, good looks?

Despite what our culture typically celebrates, none of those things makes a hero.

No, heroism springs from *character*, the critical element that defines a person. The good news is that character is something every one of us can mold; it is simply the sum of the choices we make as we face new challenges and opportunities.

And here’s even better news: this lively, accessible book gives you real, flesh-and-blood models of character, courage, and conviction—men and women you won’t just admire but also can *emulate*.

Author Lawrence W. Reed ranges far and wide in ***Real Heroes***—from major historical figures to remarkable people you’ve never heard of; from the distant past to the present; from the United States, to Europe, to Asia; from statesmen to scientists, athletes to inventors, entrepreneurs to theologians, writers to teachers. Reed’s heroes include:

- The nineteenth-century American educator who was vilified and threatened for daring to teach black girls
- The unsung British activist who fought for decades to end slavery
- The courageous Cambodian who alerted the world to Pol Pot’s killing fields
- The Polish soldier who *volunteered* to go to the notorious concentration camp Auschwitz to expose Nazi brutality and defend the liberty of his people

Concise and compelling, ***Real Heroes*** highlights memorable quotations from each hero and features a bulleted summary of lessons at the end of each profile.

We desperately need more heroes today. America is a country with a proud history of heroes, but now it seems we’ve forgotten more of them than we’re producing.

It’s time to change that. And ***Real Heroes*** is here to help.
