## **Robert E. Howard: A Collector's Descriptive Bibliography** Leon Nielsen

In the same way that Tolkien is considered the father of epic fantasy, so to is Robert E. Howard considered the father of the fantasy genre of sword and sorcery. Howard is among a select group of now-revered writers who published primarily in pulp magazines. Pulps continued publishing Howard material posthumously, and his first hardcover book appeared in 1937, a year after his early death at the age of 30. Anthologies, books, comic adaptations and movies based on his work are still being brought out. Howard created one of the most popular of all fantasy characters, Conan. Other famous characters included King Kull of Atlantis, the Puritan adventurer Soloman Kane, the female warrior Red Sonya, and the Pict Bran Mak Morn. This guide is an invaluable resource about Howard, with information for every known published work. Initial chapters provide a biography, discuss Howard's literary legacy, and give basic tips about collecting Howard's writings. The main body of the work is a bibliography of Howard's published works from 1925 through 2004. Each entry includes a description and known details including publisher, date, print run, and estimated value. A thorough index locates the publication of every Howard story or poem.
