Among the Leaves: Queer Male Poets on the Midwestern Experience

In *Among the Leaves*, 18 queer male poets share stories what it means to live in the Midwest. We learn what it's like for them to play football and come up short. We feel their lingering effects of bullying. We experience the undeniable power of seasons affecting their moods as they ache for a meaningful connection. We learn what it means to celebrate in spite of the odds against them. But more than anything, we discover anew through their poems the redemptive power of love and renewal among the leaves growing and falling.
