## **I Was Only Asking** Steve Turner

Steve Turner has always been fascinated by children's curiosity and the direct but thoughtful way in which children ask some of life's Big Questions. For example, *Who am I? What is a person?* and *Why isn't life fair?* In this thematically arranged collection, he addresses some profound questions in a variety of immediate, amusing, and engaging ways that children will relate to. Questions of identity, purpose, behavior, and many other issues relevant to today's children provide the framework for this entertaining yet thought-provoking new collection of poems.
