Lord Cromer: Victorian Imperialist, Edwardian Proconsul Roger Owen

In the heyday of Empire just before the First World War, Lord Cromer was second only to Lord Curzon in fame and public esteem. In the days when Cairo and Calcutta represented the twin poles of British power in Asia and Africa, Cromer's commanding presence seemed to radiate the essential spirit of imperial rule. In this first modern biography Roger Owen charts the life of the man revered by the British and hated by today's Egyptians, the real ruler of Egypt for a quarter of a century.
