**The Cowboy's Unexpected Family (Love Inspired Historical)** Linda Ford

*Her dream—on her terms*

With her own business, Cassie Godfrey is finally self-sufficient. But her plans are interrupted by four young orphans—and one persistent cowboy. If she'll care for the children until their uncle claims them, Roper Jones will build Cassie's house. To her business mind, the proposal makes sense. To her independent spirit, it's a reminder of the commitments she's promised to avoid.

Roper can't help admiring Cassie's pluck, even if he's exasperated by her stubbornness. All he can offer Cassie is the love and acceptance she claims not to need. But dreams, like hearts, can change and grow...especially in a land made for brave new beginnings.
