Life and adventure in Japan

E. Warren Clark

Life and adventure in Japan E. Warren Clark

E. Warren Clark's 1878 book, *Life and Adventure in Japan*, is an exquisite portrait of Japan in the 1870s. Japan had just opened itself to the West and had commenced a vigorous program of modernization. Clark, a young American scientist and missionary, worked in Japan for 4 years as a teacher meeting many of Japan's leaders including the Emperor. His book, reproduced here, provides a fascinating personal view of Japan during this critical stage of history. The editors' introduction places Clark's work in historical context.
