No Gods No Masters: An Anthology of Anarchism

No Gods No Masters: An Anthology of Anarchism

The first English translation of Guérin's monumental anthology of anarchism, published here in one volume. It details a vast array of unpublished documents, letters, debates, manifestos, reports, impassioned calls-to-arms and reasoned analysis; the history, organization and practice of the movement—its theorists, advocates and activists; the great names and the obscure, towering legends and unsung heroes.

This definitive anthology portrays anarchism as a sophisticated ideology whose nuances and complexities highlight the natural desire for freedom in all of us. The classical texts will re-establish anarchism as both an intellectual and practical force to be reckoned with. Includes writings by Emma Goldman, Kropotkin, Berkman, Bakunin, Proudhon, and Malatesta.

Daniel Guérin was the author of *Anarchism: From Theory to Practice*.

In Oakland, California on March 24, 2015 a fire destroyed the AK Press warehouse along with several other businesses. Please consider visiting the AK Press website to learn more about the fundraiser to help them and their neighbors.
