## **PROMISE ME TOMORROW** Nora Roberts

Sarah had to build something major, in her work and in her life. And Byron's searing kiss stirred wild longings in her no other man had roused. her future as an architect was in his hands. But he would trap her in a desperate passion- one never fulfilled by love. She fled to a glamorous assignment in Paris- to the embrace of an elegant Frenchman whose sensuous caress hid a dangerous ambition. Then destiny brought Byron into her life again, tempting her with new dreams, drawing her into the flames of the one unforgettable love that promised to consume her- body, heart and soul.

### From reader reviews:

#### **Mike Huey:**

As people who live in the modest era should be update about what going on or data even knowledge to make all of them keep up with the era which can be always change and make progress. Some of you maybe can update themselves by studying books. It is a good choice in your case but the problems coming to an individual is you don't know what one you should start with. This PROMISE ME TOMORROW is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and need in this era.

#### **Bernice Mignone:**

It is possible to spend your free time you just read this book this e-book. This PROMISE ME TOMORROW is simple to deliver you can read it in the park, in the beach, train and soon. If you did not possess much space to bring the printed book, you can buy typically the e-book. It is make you simpler to read it. You can save often the book in your smart phone. Thus there are a lot of benefits that you will get when one buys this book.

#### **Wanda Mason:**

This PROMISE ME TOMORROW is fresh way for you who has fascination to look for some information mainly because it relief your hunger associated with. Getting deeper you upon it getting knowledge more you know or you who still having bit of digest in reading this PROMISE ME TOMORROW can be the light food in your case because the information inside this particular book is easy to get by anyone. These books produce itself in the form and that is reachable by anyone, that's why I mean in the e-book web form. People who think that in publication form make them feel tired even dizzy this book is the answer. So there isn't any in reading a reserve especially this one. You can find actually looking for. It should be here for a person. So , don't miss that! Just read this e-book sort for your better life and knowledge.

#### **Emily Boyd:**

As a pupil exactly feel bored to help reading. If their teacher inquired them to go to the library or even make summary for some publication, they are complained. Just minor students that has reading's internal or real their leisure activity. They just do what the professor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading is not important, boring and can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this PROMISE ME TOMORROW can make you sense more interested to read.
