Do you want to increase Your book sales?

Do **You** want to learn *how to format* your book Description to **increase sales**?

You have worked hard to write your book. It is your baby, and you want to share it to the world. But your book seems lost in an ocean of books. You tweak the book cover, choose the correct title, get the correct sub heading, and even get traffic to your page, but few sales. You spend a lot of money for someone to come up with a stunning book synopsis, but when you enter it in your book description field, it shows as a dull boring blob of text.

Silently you wish you knew how to:

You heard you could change the **color** and **font** of your print book text, and even do sub scripting as well as super scripting.

If you knew how, you could say:

This book will teach you in $\frac{1}{2}$ the time others do. Or, this book focuses on the 10th century. You heard you can split the page

But have no idea how to. If you knew how to strikeout, you could say:

Special Promotion: *For a limited time only.*

Get this amazing **\$6.99** book for ~~\$3.99, 99c~~, **Free**. Alas, you are stuck with a giant boring blob of text.

Well no more! This book takes you by the hand and shows you in *step-by-step* instructions how to *easily* do your own HTML coding for **Amazon** and **Createspace** *book descriptions*. No coding experience needed. Within minutes you can also have stunning book descriptions that stand out and grab attention. The additional pictures will enhance your learning. This book even shows you how to test your work before you upload your changes, without needing to go online. Do you also want to be able to easily do what I have done one this page?
