In Pursuit of My Success for Teens: Developing a College, Career, and Money Plan for Life, 2nd Edition Katherine Berntzen

REVIEWS

This is the most comprehensive book of its kind that helps mature teens plan their road to success in high school, college, careers and financial self sufficiency. It is a valuable asset for teens who want to plan a successful future.

Brad Berger, Best-Selling Author of *Aim High! 101 Tips for Teens*

This book is easy to understand and each subject is given in a step-by-step format, using worksheets so the reader can apply their own information. This is an outstanding book which will give everyone who reads it an edge. It really prepares everyone for real life.

R. Schmudde, Parent

- College, Career, and Money Plan Worksheets

WHY READ THE BOOK

The original title of my book was *What I Wish I Had Known Before Going to College*. I packed the book with information I thought was helpful for getting a good start in life from career planning, college planning, financial planning for college and the real world, and sharing lessons learned in life that are important for success. I tried to make the book interesting through writing in first person and providing real life examples. The book is intended to be used as a reference throughout one's lifetime. -- Katherine Berntzen, Author

ABOUT THE AUTHOR

Katherine Berntzen uses her experience as a management consultant and trainer, to large and mid-sized companies, and as a college recruiting administrator, for a large Fortune company, to convey what employers are looking for in new college graduates and beyond. She identifies what you can do for yourself in high school, college, and your professional career to be more marketable to employers, including manage your personal finances. Berntzen holds a MBA and MPH from Benedictine University, and a BA in Economics from the University of Texas at Austin.

You also could get the e-book of *In Pursuit of My Success for Teens: Developing a College, Career, and Money Plan for Life, 2nd Edition* from the publisher to make you much more enjoy free time.

Veda Howard:

Spent a free time for you to be a fun activity to complete! A lot of people spend their free time with their family, or their very own friends. Usually they perform activities like watching television, planning to beach, or picnic from the park. They actually do ditto every week. Do you feel it? Will you do something different to fill your personal free time/holiday? Maybe reading a book is usually an option to fill your cost-free time/holiday. The first thing that you will ask may be what kinds of reserve that you should read. If you want to attempt to look for a book, maybe the e-book entitled *In Pursuit of My Success for Teens: Developing a College, Career, and Money Plan for Life, 2nd Edition* can be an excellent book to read. Maybe it may be the best activity for you.

Ruth Paiz:

Exactly why? Because this *In Pursuit of My Success for Teens: Developing a College, Career, and Money Plan for Life, 2nd Edition* is an extraordinary book that has the inside of the guide waiting for you to snap this but later it will jolt you with the secret idea inside. Reading this book beside it was a fantastic author who wrote the book in such a wonderful way makes the content inside easier to understand, an entertaining approach but still conveys the meaning entirely. So, it is good for you for not hesitating having this any more or you

going to regret it. This phenomenal book will give you a lot of rewards than the other book get such as help improving your expertise and your critical thinking method. So , still want to hold up having that book? If I ended up you I will go to the guide store hurriedly.
