*Norse Revival* offers a thorough investigation of Germanic Neopaganism (Asatru) through an international and comprehensive historical perspective. It traces Germanic Neopaganism's genesis in German ultra-nationalist and occultist movements around 1900. Based on ethnographic research of contemporary groups in Germany, Scandinavia and North America, the book examines this alternative Neopagan religion's transformations towards respectability and mainstream thought after the 1970s.
