The Breakpoint Surf Series is coming to Malibu and that means boards, boys... and summer concerts. The major competition hosts some of the hottest international young talent on the waves--including Miley's crush of the moment--Australian-born Talen Wright. So when Hannah Montana is asked by the Surf Series organizers to perform live on the beach, Miley is stoked. It's the perfect way to get close to all the action *and* Talen. But then Miley learns that all her time on the road has caused a few setbacks at school and so she will have to do some make up work-- in summer school! Miley is seriously bummed. But when she arrives on her first day, she learns that some of the surfers--including Talen--will be attending school, too.

Soon, Miley and Talen are spending more and more time together, in the classroom and on the waves as Talen teaches Miley to surf. As the days go by, Miley learns that Talen is super chill and not at all into fame. In fact, he is especially wary after his last girlfriend who only dated him for the publicity. Miley is worried that as soon as Talen learns she is Hannah Montana, he'll paddle far far away. With all the drama, will Miley have a major wipe-out or manage to score the perfect wave?
